

Year 1 Creative Homework #2!

Creative homework can be brought into school at any time up to the December break. This time the challenge is to create anything at all which answers the question...

What has changed since my grandparents were young?

As always, the question is open-ended which means that there is no right or wrong answer and plenty of imaginative discussions can take place as a result! Be as creative as possible!

The last creative homework was a huge success, with many different pieces being brought into school. It's lovely to see the effort put into something which is not compulsory. Thank you so much for the support! I look forward to seeing what unique and amazing creations will be brought into school this half term. Children will have the opportunity to show and tell others about their homework and will receive some well-earned smiley points and a postcard home to celebrate their success. Good luck! Miss Atkinson 😊
