

## Year 1 Creative Homework #3!

**Creative homework can be brought into school at any time up to February half term.**

This time the challenge is to create anything at all which answers the question...

# Where do, and did, the wheels on the bus go?

As always, the question is open-ended which means that there is **no right or wrong answer!** Though if you would like some inspiration, then please use the following prompts to help you:

- Where are you and your child's favourite places to visit?
- If you could visit anywhere in the world, where would you both like to go?
- What does a typical day in your lives look like? Do you visit the same places frequently?
- If you could create your own place to visit... Where would it be? What would it look like? What would you be able to smell there?
- What is there to see and do in Guisborough?
- Think about maps!

Children will have the opportunity to show and tell others about their creative homework and will receive some well-earned smiley points and a postcard home to celebrate their success. Good luck! Miss Atkinson 😊
