

CHALONER PRIMARY

Year 2 Topic Letter

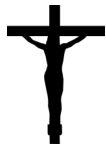

This half term's topic is:
The World around us.

Literacy

This half term, the Year 2 children will continue to develop their basic Literacy skills. When writing the children will be learning about traditional tales and persuasive texts. They will also develop their comprehension skills linked to all subjects. The children will continue to join some letters. They will improve their use of basic punctuation and learn to use exclamation marks and question marks.

R.E.

This half term, the Year 2 children will investigate the question, "How do Christians celebrate Easter?" The children will listen to stories and retell them using different methods of recording.

PSHE

In PSHE the children will complete their work on our Anti-Bullying topic and reflect on the skills learned in the last term. They will also learn about the British values of 'courage' and 'humour'.

Rights Respecting Schools

Article 28 – All children have the right to an education. Article 29 – The purpose of the education is to develop every child's personality, talents and mental and physical abilities.

Numeracy

In Numeracy, the children will continue to reinforce their basic skills. They will practice written methods for addition, subtraction, multiplication and division.

We will also reinforce skills in mental maths to help the children solve problems accurately using a range of strategies. In topic maths we will look at measuring time, and will continue to learn about money.

Science

The children will learn about electricity. We will learn about safety around electricity and devices which use electricity. They will investigate how circuits work.

Computing

In Computing the children will continue to learn about coding involving programmable devices. They will develop their knowledge of how to stay safe when using the internet. They will also continue to develop their typing skills when using the keyboard.

Topic

In geography lessons the children will learn about the weather around us. They will learn about how to record the weather using signs and symbols. The children will also learn about instructions and moving in different directions.

In history the children will be watching videos and researching the Great Fire of London. They will be retelling the story through drama, pictures, diary entries and reports.

P.E.

This half term, the Year 2 children will be learning about dance and yoga. They will also learn about the importance of warming-up and warming down.

The children will continue to develop their swimming skills and water safety knowledge.

Notes

- Children must remember to bring P.E. kits on Tuesday and **swimming kit on Friday.**
- Please help your child with all homework tasks and listen to your child **read every night.**
