

Y5AD - Creative Homework Task - Autumn 2017

ATHENS vs Sparta

As part of our topic work on Ancient Greece this half-term, your task at home is to research, explore and then present the similarities and differences between the ancient cities of *Athens* and *Sparta*.

To help you in your fact finding, please try to use a variety of sources: books - many available at Guisborough Library, a range of websites and discussions with your family.

When it comes to presenting your work, try to be creative. This could be done through a PowerPoint presentation, a large display poster, a large map etc...

You will be asked to present this to the other members of the class, before completing further work and a debate within class.

Please complete this task and hand to Mr. Dale by Monday 18th December.
