

Homework - 29th April (for bank holiday weekend)

We have one week to go until the SATs! You have worked incredibly hard and now's the time to look over everything we've covered and revise the bits you're unsure of!

Look through the spelling booklet that we highlighted in class. Copy out the words that you need to learn and practise putting them into sentences.

Everyone also has a set of maths questions to look at - these are tailored to each and every one of you to match the targets that were identified when we did the sample paper earlier in the week.
