## HELPFUL TIPS TO PROTECT CHILDREN!

Safeguarding Children and Young People is a sensitive and difficult area and requires a Working-Together ethos.

Good lines of communication MUST be shared with the Safeguarding Team as soon as possible.

It is important that the child's voice is heard and recorded.

A child may choose to share child protection concerns with you.

You should listen to the young person at an appropriate time; try to record word for word what they have disclosed.

Please be factual and remember to state:

- The name of the child.
- The date and time of disclosure.
- Details of the disclosure.
- The authors name, signature and date.
- Remember your statement could be used as evidence.

***If a child discloses a child protection concern with you, DO NOT QUESTION FURTHER OR INVESTIGATE.***

***Please inform a member of the Safeguarding Team immediately.***

Allegations against staff will be referred to the Local Authority Designated Officer (LADO) who manages allegations against members of staff.

Any further action will be coordinated by the LADO.

### MANAGING ALLEGATIONS AGAINST MEMBERS OF STAFF

In exceptional circumstances you may have concerns about the conduct of a staff member.

It is very important to do the following:

- If it is a member of staff you MUST share your concerns with the Headteacher.
- If it is the Headteacher you MUST share your concerns with Mr A Bailey, Chair of Governors via the school.
